

Drink me when:

It's okay to feel overwhelmed,
we know we
are a handful,
but you are our universe!

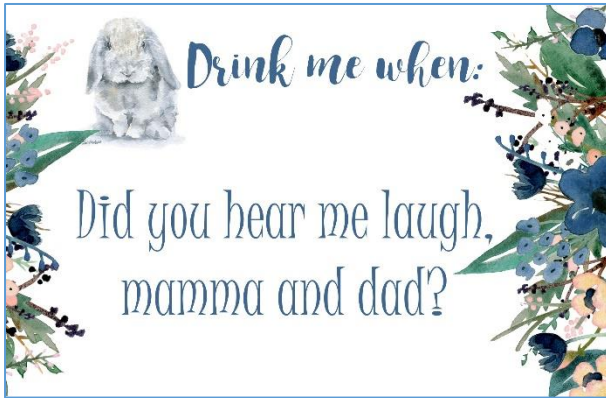

Drink me when:

We know you have not
had a night out alone in a while,
put us to bed
and have a picnic in the living room

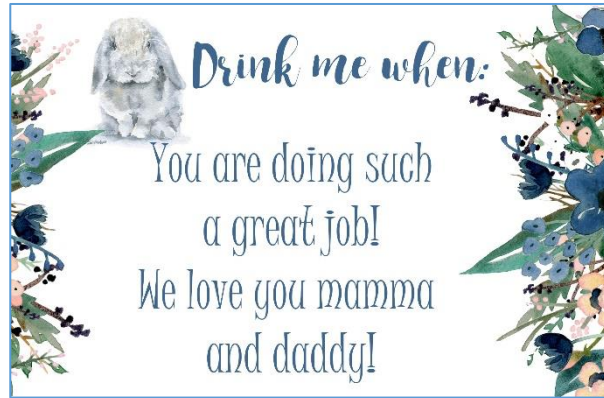

Drink me when:

Have a glass to calm your nerves,
we survived our first fever.
It's going to be okay,
we are strong!

Drink me when:

Did you hear me laugh,
mamma and dad?

Drink me when:

You are doing such
a great job!
We love you mamma
and daddy!

Drink me when:

Hey mamma
and dad,
we got our first teeth!

Drink me when:

*I took my first steps!
I am growing up
so fast!*

Drink me when:

*My first ouchie on my knee,
it bled mamma, did you see?
You kissed the tears away,
and now I'm okay*

Drink me when:

*My first ouchie, daddy!
I fell down and bumped my head.
You picked me up
and now I feel safe!*

Drink me when:

*Whoops! My first fall off the bed,
it's okay!
It happens to the
best of us!*

Drink me when:

*Our first day
at daycare, mamma!
It's okay to cry...
it's a big deal!*

Drink me when:

*We are crawling...
say goodbye to sitting
for a year, at least!*
